exercise room,
internet

*Reserve Room By June 15

Why Pre-Register?

Your pre-registration money pays for the many expenses incurred throughout the process of creating our convention. Almost all events during the convention are paid for by your pre-registration money. By registering early you are in effect doing your part to ensure that SUACNA continues to serve our area and carry the message of NA. Every pre-registration includes the dance, the ice cream float social, a mug and a commemorative pin.

SUACNA Pre-Registration
